

Rules and Policies

General: Our Kids Place reserves the right to terminate the enrollment of any child who is unable to adjust to the Center's program. Our Kids Place may terminate this Enrollment Agreement at any time upon written notice.

Pick – Up: The parents/guardians whose names appear on the first page of the Enrollment Agreement acknowledge and understand that Our Kids Place MUST receive proper authorization to release a child to individuals NOT listed on the Enrollment Agreement. Impromptu pick authorizations will not be accepted over the telephone. A written document or email from a parent/guardian will be acceptable.

Tuition: Tuition is due by the first of every month. A \$45.00 late fee is applicable after the fifth of the month. A \$75 late fee will be applied if the balance goes into a new month. **ABSOLUTELY NO PERSONAL CHECKS.** Registration fees are non-refundable. **We accept credit cards (with a 1% service fee) (Visa, Discover, and MasterCard), cash or money orders.** Children attending the program are required to pay the full monthly fee regardless of attendance. Students whose accounts are delinquent will have a hold placed on their account. This bars them from participating in any extra activities and receiving official school documents, etc. Should OKP need to switch to Remote Learning, tuition is still due as normal.

The parents/guardians whose names appear on the first page the enrollment agreement acknowledge and agree that they shall be held liable for any and all costs incurred by Our Kids Place arising from or relating to the collection of Tuition, Late Fees and/ or Service Charges which are not paid as specified in this Enrollment Agreement.

Hours of Operation: Our Kids Place hours of operation are Monday through Friday, 7:00 a.m. to 6:30 p.m. during September through June, and 7:00 a.m. to 6:00 p.m. during July and August. Children left after hours will be charged a late fee of \$1.00 per minute. We will be closed for certain holidays, staff development days, and possibly inclement weather. Please review this year's school calendar for such days. Any closings for inclement weather will be communicated through emails, social media platforms, and our Remind 101 text messages.

Medical Forms: OCFS requires each child to have a completed medical form on file upon enrollment in school. This form must be updated yearly. Failure to comply will result in temporary suspension of your child until we receive an updated medical form. Please have your child's doctor fill out all medical forms and return them as promptly as possible to the school. All immunizations must be up

to date. MAT forms and Individual Health Plans must be completed if the student has any health concerns and/or mandatory medication.

Medicines/Illnesses: If sometime during the school year your child becomes ill, please consider the following points when determining whether your child should attend school.

You should not send your child to school if he/ she have any of the following symptoms:

- Fever of 100 or more. Temperature should be normal for 24 hours before child returns to school.
- Severe coughing or trouble breathing
- Thick nasal discharge
- Conjunctivitis (Pink Eye)
- Unusual spots or rashes
- Infected skin patches
- Diarrhea or vomiting. Child must be well for 24 hours before returning to school.
- Headache
- Stiff neck
- Sore throat or trouble swallowing

If your child develops any of the above symptoms while in school, we will contact you to pick up your child. Your child will **need to stay home for 24 hours** before returning to school. If your child is sick and cannot attend school, it will be important for you to consult with your doctor. **Please inform the school if the doctor makes a diagnosis or if your child is on any kind of medication. If your child is out for more than three consecutive days, you will need to provide a doctor's note before your child returns to school. Any child who suffers with seizures or any other serious health condition(s) should notify the director and teacher at the time of enrollment.**

In addition to the above, OCFS requires that you notify us within 24 hours of any absence due to: chicken pox, conjunctivitis, diarrhea, diphtheria, food poisoning, hepatitis, haemophilus influenza type B infection, impetigo, measles, meningitis (all types), meningococcal disease, methicillin resistant staphylococcus aureus (MRSA), mumps, pertussis (whooping cough), poliomyelitis, rubella (German measles), salmonella, scarlet fever, tuberculosis, or any other disease or condition which may be a danger to the health of other children. Such disease or condition shall not include acquired immune deficiency syndrome (AIDS) or human immunodeficiency virus (HIV) infection.

Medicine can be administered only with a written consent (MAT FORM) and approval by our Educational Director.

General Hygiene: Children's hygiene must be maintained prior to attending school daily (nails trimmed and hair combed). Students' hair must be pulled back and neatly styled. **ABSOLUTELY NO HAIR BEADS.**

Dress Code: Our dress code is a MUST four days a week. Each child should wear a light blue top and a dark blue bottom. Elastic waist pants are preferred. **NO BELTS PLEASE.** This is to allow your child to use the bathroom easily. Children two years of age are asked to wear Velcro shoes. On your child's assigned gym days (Tuesday and Thursday), your child is considered prepared when they are equipped with an Our Kids Place sweat suit and/or Our Kids Place t-shirt (This can be purchased

in the office) with sneakers. You are responsible for labeling all clothing, wipes, diapers, jackets, hats, etc. Students may dress down on Friday's. (Regular clothes)

Children should wear comfortable clothing that can be laundered. Our curriculum encourages learning through exploration. The children will be playing with messy materials such as paint, clay, and sand. Although we use smocks for every child, there are occasions when clothing may not be completely protected.

We encourage our children to put on and take off their own clothing. Self-esteem comes from a growing sense of accomplishment. Fancy buckles, snaps, and buttons are difficult for little fingers to manage. Please help your child to succeed by dressing him/her in clothing that he/she will be able to put on and remove by him/herself.

All blankets and outer clothing (such as coats, sweaters, hats, shoes, boots, etc.) must be labeled with the child's name. (We have over 50 children enrolled, and they all wear similar sizes.)

Children should dress according to the weather. We go outside whenever the temperature is above 35° F and the weather is pleasant. During the summer, sunscreen can be administered only if the sunscreen form is filled out.

Communication: We have many different lines of communications we use in the event of an update or change in school activities, or in the case of an emergency, ex: school closings due to snow. The lines of communication are:

Providing your child does not have severe allergies, he/she can participate in the food program. Parents **must fill out the CACFP form** to participate. Menus are posted in the lobby area of the school and will be

emailed to each family. If a child has severe allergies, you will be responsible to bring in all three meals for your child each day. You should also provide something non-perishable (so we can store it here) that your child can eat in the event of a birthday party. (Ice pops are popular) Note, we are a nut-free school. Any other small foods that can potentially be a choking hazard are prohibited. (whole grapes, popcorn, baby carrots, etc.)

Birthdays Parties: If you wish to have a party for your child, please notify the office at least two weeks in advance. Parents are responsible to supply all food (cakes, chips, sodas, etc.) and party goods. All parents are required to assist staff members during their child's party, as well as with clean up. Parties typically take place during snack time (3:00 pm)
